Since its beginning, the “ICB” has been a lively wellspring of creativity on the West Coast. On December 2nd, 3rd and 4th the ICB will host our 48th annual art sale and exhibition – the **Winter Open Studios**.

With 100 artists working under the one curved roof of the ICB, Winter Open Studios is a unique opportunity to view an incredible variety of high quality art, to meet the artists, visit their studios and learn how their art is made. The artists welcome you to view their art, to purchase it and to take commissions.

Nationally recognized, the iconic ICB is home to sculptors, painters, photographers, mixed media, new media, textile artists, jewelers and more. A free full color directory is available with information and contact details for the participating artists.

New this year Winter Open Studios will be open an extra day. Come visit the ICB on **December 2nd, 3rd and 4th from 11:00am to 6:00pm each day**.

Food Trucks will be on site, parking is free and the building is ADA accessible.

The ICB is located at 480 Gate 5 Road, Sausalito, CA, just minutes off US-101.
